# Title should have only the first word capitalized, in Times New Roman, 14 pt, bold, and centered on the page language.

**ABSTRACT**

The proposed article must be summarized in an abstract of up to 1,000 characters, including spaces. The text should be written in Times New Roman, size 12, with 1.5 line spacing and justified alignment. The abstract must clearly state the objective of the article, the steps taken to achieve this objective, and the conclusions drawn.

*Keywords:* Five keywords can be indicated, separated by semicolons, and each keyword, when composed of multiple words, must not exceed three words. Times New Roman size 12, with 1.5 line spacing and justified alignment.

**AUTHOR(S)**

Author's name with the first word capitalized, in Times New Roman, 12 pt, bold, with 1.5 line spacing and justified alignment.

A brief biographical note of up to 500 characters for each author, including spaces. It is recommended to include the ORCID ID and academic affiliation, if available.
